2018 NATIONAL SPORTS WEEK ACTIVITIES

In an effort to transform the delivery of sport and recreation by ensuring equitable access, development and excellence at all levels of participation, the Department inaugurated a successful National Sports Week during 2015. The strategic intent of the National Sport Week is to inculcate the development of sport at all levels. This can include driving business through sport; fostering open communication as a way to overcome the challenges confronting the sporting fraternity; interviews with high level sports people; sports media awareness campaigns and an International Sport Exchange Conference and Exhibition. The 2018 National Sport Week is scheduled to take place from the 5th to the 12th of November 2018.

As part of the 2018 National Sport Week the Department has the following key initiatives;

- The Ministerial Outreach Programme in Zastron, Free State on **08 November 2018**.
- Ministerial Golf Day on **09 November 2018 in Bloemfontein**.
- Sod Turning Ceremony and signing of the Land Swop Agreement between the Department and the Central University of Technology for the construction of the National Training Training Center (NTC) as well the Handover of the Sports Buses to the Provincial Departments responsible for Sport and Recreation on **10 November 2018 in Bloemfontein**.

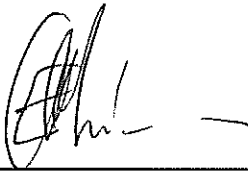

- The South African Sports Awards to honour South African sports women and men on **11 November 2018 in Bloemfontein.**

Your organization is kindly requested to provide the Department with information on your key (notable) activities taking place during the National Sports Week in line with the strategic intent of the Campaign as articulated above.

May you kindly submit your information to your SRSA Liaison Officer or email to peggy@srsa.gov.za by **Monday, 04 November 2018.**

Your organisation and its affiliates is urged to embrace the National Sports Week initiative and guided by the key elements of the Campaign, identify and dedicate activities to promote it.

Yours sincerely

MR. M. E. MOEMI
